Ivy&Seed - Chandelier 16 luces. Grande. Plano. Coral rojo

Collection:

IVY & SEED

Mounting:

Chandelier

Environment:

Inspired in nature's plant motifs: plants, seeds, bulbs, leaves and petals, interpreted with played by round, organic and geometric shapes. The graphics of the collection gives us as a result a number of items with a synthetic, feminine, shapely, edgeless form, that speak to us with a language that is more typical of porcelain than cut glass.
 Hanging accessories can refer to seeds and bulbs: lights of bases and other elements of the stem, plants, flower petals about to open; lithophane of forest mushrooms ... However, it is not intended to make a direct and explicit reference to them, but rather, to maintain a relationship that provides us a sense of familiarity, both for natural reasons themselves and due to the fact that flowers and plants are unique and characteristic elements of the Lladró world.
