the scent on their bases,  
these original diffusers will  
impregnate the atmosphere  
with the best aromas. Cactus  
is the first collection of liquid  
diffusers entirely handcrafted in  
porcelain, an homage to these  
plants of fascinating curves  
that combine the resistance  
of thorns with the fragility of  
beautiful flowers.

Inspired by the  
legendary stories  
in One Thousand  
and One Nights...

With the 1001 Lights collection light and scent come together in a very special way. Candles in poetic containers made in translucent porcelain that bring the warmest light through the patterns etched by hand on its surface, producing a magical effect and transporting us to a world of fantasy.

The aromatic candles in this collection are presented in a unique perfume, *Unbreakable Spirit*. An exotic scent that contains a 15% of perfume, a specially high percentage in candles in their category comparable to l'eau de parfum in fragrances.

*Unbreakable spirit*

An exotic scent of  
bergamont, cardamom and  
musk that transports us to  
a dreamed-of paradise.  
The essence of freedom.

## 1001 LIGHTS

Crowned with geometrical pinnacles decorated with 22-carat gold luster, applied using a complex artisan technique, these candles will make you feel and smell the light.

The different designs in this collection can be combined to create harmonious and attractive scenes.

1001 Lights is available in two color palettes, blue & iridescent red.

### *Night approaches*

# PARROT TREASURE

The family grows.

---

The Parrot Party collection is now enhanced by the arrival of a large-format scented candle (1,500 g) made of natural wax and perfumed with the new fragrance *On the Prairie*; a fresh aroma of bergamot, basil, thyme and vetiver that evokes an olfactory walk through a meadow full of flowers and aromatic herbs.

## VOLUTES

Volutes candles are an extraordinary tribute to Lladró's artists' mastery in engraving porcelain. Entirely hancrafted, they are available in a fruity perfume with hints of orange blossom and woody tones.

## HEAVENLY DREAMS

A sweet angel, one of the most famous images from Lladró's iconography, is the common motif of the evocative fragrances collection Heavenly Dreams, inducing a state of harmony, relaxation and joy. Candles and liquid diffusers are available in eight fragrances.
